The Monocle

1952

Dear Miss Durch:
I've really had a lot
of fun in here. I think
I learned something but
the final test was
too hard!!!

Dear Miss Burch,
I've learned a lot in my two years of Spanish even if you got a little peeved at us. We don't blame you.

Linda Lea

Dear Miss Burch,
I sorry we were so uncooperative, but I guess that's kids for you.
Thank you.

Pat Smith

Dear Miss Burch,
Ran true to form!
Thanks! I too have learned much this year. Even though I'm not taking Spanish next year, I'll still remember a few words. Hope to see you next year.

Cheers & Love,
Betty

Best Wishes in the future
Bob Johnson

Dear Miss Burch,
It was very nice having you for my teacher this year. Hope to see you next year.

Cheers & Love,

Dear Miss Burch,
I sure have enjoyed being in your class this year. Hope to see you next year.

Sincerely,
Pat

Administration

A. C. Nelson

For two and a half years Chippewa Falls High School has been under the capable guidance of our principal, Mr. Arthur C. Nelson. His congeniality and sincere interest in the welfare of the school has helped the growth of Chippewa High.

Mr. Halmstad

I'm sure by now everyone has become acquainted with Robert Halmstad. He is our new Superintendent of Schools. Of course, everyone was sorry to hear of Mr. Murphy's leaving us, but we all feel quite confident that Mr. Halmstad will take over very nicely.

He came to us as a sort of early Christmas Gift as he arrived on December 14.

It is interesting to note that Mr. Halmstad has done a share of teaching in our locality. He was a social science teacher in Eau Claire High School in 1944-45, and therefore is familiar with our exact educational problems.

In viewing all Mr. Halmstad's wonderful-qualifications, we can see that the future of the Chippewa Falls Schools is in well-trained and experienced hands.

The School Board

Arthur LeCleir

Willingly giving its time to matters such as working out financial problems, selecting the best faculty members, and also establishing the best course of study for the year, one can easily see how important the Board of Education is to our school system.

Class of 52

It is always with regret that we underclassmen and faculty say goodby to you who are leaving us. Where are we going to find the wonderful leaders in all activities? Who will take the place of the editors of our publications, the presidents of the clubs, the speech and dramatics people, the musicians, the athletes? Will the new ones ever be as good as you were this past year? At this time we are certain that no one can replace you who graduate.

We remember nostalgically the Homecoming with charming Kay Larson crowned queen, our mid-winter formal with lovely Jean Selden, our peppy Chatters, our good athletes and Pep Club chairmen, our wonderful chorus and band, our excellent speech activities — all made most worthwhile because of you.

Our only wish is that you all find that for which you are seeking and that you will give an occasional thought to us who try to carry on in the tradition you have established.

Class Prophecy

The day we had chosen for our 10 year class reunion turned out to be a drippy, dreary day. To our luck Bev Holter and Bill Lea have become co-owners of the Pines, which served its purpose well.

Nearly all of the class of '52 were present, although I didn't see Dick Welke, David Berg, or Mike Sullivan. It seems they were across the bridge and just couldn't pull themselves away. Dean Huss, Ken Bowe, Dick Larsen, and Marvin Luedtke couldn't come either. It seems Uncle Sam had other ideas for the "bowery boys." Due to the fact that the Chippewa Falls Public Library must be kept quiet at all times, Joan Phillips, the head librarian, was unable to come.

Everyone present was shocked in discovering how his classmates were spending their time. Althea Christoffersen, the great divorce counsellor, in the midst of the 10th reconcilation between LaVerne Rosenthal and Dorothy Wilson, arrived with her husband, Rusty Kurth. Karen Faye DeLonge, Mary Lu Fellenz, and Martin Jan Hein are finishing their 10th year as freshmen at the University of Wisconsin. Jean Ehlers recently accepted the job of "fat lady" in the Ringling Bros. Circus, and Elma Peterson as the "alligator-skin lady." Those married for ten years, and with ten children, are: Elaine McElroy, Audrey Wiesner, Barb Parr, Esther Matthews, Joyce Preston, Bev Christianson, Luke Chartrand, and John Willkie, except Mable Dugal, who has been married eleven years. Comparable to the Dionne Quintuplets are the Bigler Sextuplets. Miss Barbara Brooks is employed as the Bigler psychiatrist. Wayne Bluemn and Mr. Hal Goetsch joined in partnership in writing a book, *How to Win Friends and Influence People*. Harriet Misfeldt, Janet Peterson, Janice Dresel, Judy Lekvin and Constance Peterson have just finished WAC training school and are now spending their 15 day leave at the Pines.

The entertainment committee presented an outstanding program. Cleo Kroll arrived with a troupe of her dancing girlies, "The Hot-Stuff Sextet," Nancy Agnew, Betty Bowe, Bev Lower, Dorothy Boettcher, Barbara Crane, and Gabby Payne. Virginia Stone and her second piano quartet comprised of Joe Maitland, Don Morrell, Jack Fetter, and Homer Peloquin did an inspiring job on a Bach Motet. They performed on the new electric pianos recently invented by Messrs. Ronald Bushland and Meyer. The New York Drama Club, directed by Miss Sylvia Kalow, managed by D. E. Walter, for entertainment presented a 25 act play, "Mother is a Freshman," starring Pat Beaudette, Einar Horne, with Susan Graber and LeeRoy Zais in supporting roles. Music adaptation by "Sax King" Blunt, and "Patti Page" Elliott, won much acclaim. The play came to an abrupt close when the cast, insulted to the core, walked out because Keith Bartz insisted that he bring his imported French stallion in out of the rain.

Reverend James A. Jacobson concluded the reunion with a rehabilitating message on the effects of alcohol and thanked Miss Holter and Mr. Lea for the generous loan of their establishment.

JUNIOR STUDENT COUNCIL

William Kroll, James Gessner, Ronald Severn, Barbara Harck, Dorothy Ocasek, Barbara Harper, Carol Warner. (Not pictured) Claudette Miller, Pat Preston, Ed Bathke.

The Junior Class

Well, another school year gone, and wasn't it fun? We eagerly supported all the extra curricular activities. The muscular boys who represented us on the football field were Hayes, Kroll, Meslow, Gannon, Elwood, Gessner, P. Pitsch, Rihn and Crawford. On the Chi Hi basketball team were Kroll, Meslow and Elwood.

Our class was very well represented on the Student Council. The council members were Barbara Harck, Dorothy Ocasek, Edwin Bathke, Claudette Miller, Carol Warner, Pat Preston and Bill Kroll.

Bob Langill was named Assistant Editor for the Monocle. Many other juniors were also on the staff, and various extra curricular activities had juniors on their membership roll.

For the Junior Prom the class chose "South Pacific" as the theme. Bill Kroll was chosen by popular vote to reign over the ball. He chose as his Queen, Carol Otto. This prom was one of the biggest events of the year.

Next year we will be Seniors. It will be our last year at Chi Hi and we hope to do our best to set a good example for our underclassmen.

SOPHOMORE STUDENT COUNCIL

Jim Shafer, Pat Hedrington, Jean Melville, Jerome Prince, Ellie Mason, Marion Mueller, Charles Mehls.

The Sophomore Class

As in any other year, the Sophomores were very bewildered when they first came to Senior High. During the opening week everything seemed to go wrong, but when everything was straightened out the Sophomores played a very important part in school activities.

There were 161 members of the class and many of these belonged to Thespians, Band, Chorus, F.F.A., F.H.A., Forensics and other school organizations.

Members of the Sophomore Student Council were Jean Melville, Chuck Mehls, Ellie Mason, Pat Hedrington, Jim Shafer, Jerome Prince and Marion Mueller.

Being the youngest class in the school, some respect to our "upperclassmen" had to be shown. Most of the "sophs" were not bothered by this however, for they all are looking forward to the two remaining high school years.

Class of '54

As a faculty member the writer has observed this fine group of youngsters struggling, groping, failing and succeeding in their quest for the tools that will make them tomorrow's citizens. It is reassuring to perceive the curiosity in their faces, the eagerness to blend with their classmates in group activities, the grit and courage and individuality on the athletic field and in the class room.

In this age of television, atomic energy and the competitive struggle to succeed it is hoped that every one of this group will find his or her place in society, satisfied that they are equipped with the education and all-around experience that Chi-Hi affords. As a faculty member speaking for all it is sincerely hoped that your remaining years will be blessed with all that is wholesome and edifying.

Cards End Season With Success

The Chippewa Falls High School Cardinal football team undertook one of the roughest schedules in the school's history and came through with flying colors. The highlight of the season was a 13-0 victory over Bloomer in the last game of the season.

The Cards opened the season at home by entertaining the Stevens Point Panthers. Although the team put up a good fight, "Point" was too tough a team for the first game and the Cards went down to defeat 32-0.

Next on the tough football schedule was Marinette. The team was much improved and played a very good game against an outstanding Marinette team. Although the score was 27-0, the Cards were on even terms with Marinette as far as the statistics were concerned.

With two weeks practice between the Marinette and Sparta game the team left for Sparta with a gleam of victory in their eyes. The Cards scored early in the game and went on to win 25-19. Scoring touchdowns were Jacobson with two, and Kurth and Hayes with one each.

The Cards then journeyed to Rice Lake where they did battle with the Rice Lake Warriors. When the battle smoke had lifted, the scoreboard read Chippewa 38 — Rice Lake 12. Touchdowns were scored by Willkie, Jacobson, Kurth, Hayes and Kroll.

With a 500 per cent record, the cards boarded a bus for Tomah. It was a thrilling game as far as the second half was concerned. It was one of those nights when nothing would go right the first half. After spotting Tomah points, the Cards roared back in the second half to score 25 points while holding Tomah to 13 points. The rally was not enough and the Card's lost the game 32-25.

The La Crosse Logan game was one of the best games the team had played all year. The defensive line was terrific, throwing the big "Logan" backs for losses time and again. If it hadn't been for a few lucky breaks that "Logan" received, the score might have been a lot different.

Next was the traditional game with our arch rivals, the Eau Claire Old Abes. The Cardinal team continued to play the type of ball they had played in the "Logan" game. For more than three quarters the game was waged in Eau Claire territory, but the Cards were unable to cross the Old Abe goal line. With time running out, the "down river boys" tried three desperate passes, the last good for a touchdown. It came in the last 58 seconds, and the final score read Eau Claire 7 — Chippewa 0.

The final game of the season saw the Bloomer Blackhawks come to town with a long string of victories. Every senior on the team had the idea of making the last game his best. The Cards were just too good a team for Bloomer that night and the final score read 12-0 in in favor of Chippewa. John Willkie scored the first touchdown on a pass from Jack Whereatt, and Jim Jacobson scored the last one on a nifty 30 yard dash.

Cheerleaders

The 1952 sports season of Chippewa High has been brought to a close. On the fields of friendly strife and of fair play, the spirit of sportsmanship was shown by ten cheerleaders who led the crowd in rousing yells. Out of these ten, five were on the first string. They are: Jeanne Isom, Shirley Foiles, Pat Fransway and the two head cheerleaders, Claudette Miller and Delores Chrystal. The other five alternated among themselves and cheered with the first five. They are:Shirley Young, June Young, Darlene Miller, Donalee McDonald, and Shirley Siddons. As a group they changed several of our old yells and also gave us new ones. We all had our appetities well satisfied as we watched our fighting teams win and also lose.

Cardinals End Cage Season With A Ten And Ten Record

The Chippewa Falls High School basketball team wound up the 1951-1952 cage season with a 500 percent record, ten wins and ten losses. It was an up and down season all the way with the Cards blowing hot one game and cold the next.

When Coach McGuire blew his whistle for the first basketball practice nine lettermen reported plus a goodly number of junior and sophomore hopefuls. All in all it looked as if the Cards were going to have another successful basketball season.

The Cardinals got off on the right foot as they defeated Rice Lake 71-40 in the opening game of the year. But their success didn't last long as the Menomonie Indians invaded town to hand the Cards their first loss. The Cardinals then journeyed to Spooner where they took an easy victory from the Railroaders, but Bloomer and Eau Claire copped games from the Cards to end the pre-Christmas vacation schedule.

The Cardinals started the after-vacation schedule by dropping their second game with Menomonie, but they came storming back to defeat Spring Valley only to be bumped off by Marinette after putting up a very good

fight. The Cards blew hot for the next three games as they defeated Ladysmith, Rice Lake, and Spring Valley in that order.

Next on the schedule was an overnight weekend trip to Stevens Point and Wausau. The Cards had tough luck on this one and they lost both games.

The Cardinal's rousing 62-56 victory over the Eau Claire Old Abes at Eau Claire was the high spot of the cage season, but it was followed by some up and down basketball for the remainder of the season. After the Old Abe game the Cards lost to Cornell and Ladysmith but defeated Bloomer in between these two losses.

The Ladysmith game concluded the regular season and the Cards were ready for Stanley as they teed off in the first game of the regional tourney. The Cardinals won but were defeated by Eau Claire the next night to conclude their season with a record of ten wins and ten losses.

Babe Ruth Award

The Babe Ruth Award for 1952 has been presented to two outstanding seniors for their sportsmanship, courage, companionship, and all-round cooperation. The recipients were Roger Hagen, active in sports and other activities and Pat Elliott, a top debater, orator, and musician, as well as editor of the "Chatter" and mainstay on the "Monocle" staff. Both have been outstanding and congenial students and have given the underclassmen a fine example to guide their remaining school life by.

Most Valuable Player of 1952

This year the most valuable player award goes to Marvin Luedtke who has worked unceasingly to make this year's Chi Hi football team one that will not be forgotten for many years. Marv has done a bang-up job not only in his football activities but as an all around sportsman.

The Girls Athletic Association was headed this year by Barbara Parr. This organization helps the girls of Chi Hi to build sportsmanship and learn more about basketball, bowling, speedball, tumbling, and the various games played throughout the year. This year the G.A.A. and Phy. Ed. classes were unfortunate in having their advisor, Miss Walsh, leave them before the school year ended. Mrs. Mehls replaced her.

TRACK

Track Squad In Second Year At Chi Hi

Track was in its second year at Chippewa High School this year under the able coaching of Gordon Johnsen. At the time this article went to press we were unable to bring you any results of the track meets scheduled for this season. However, judging from pre-season training the outlook for a successful season was good.

The brightest spot in this year's track team was the pole vaulting entry, Jack Whereatt. Jack could vault ten feet without much effort at all. He was sure to bring home the bacon from a track meet. Other good prospects were Raymond Elwood in the discus throw as well as in the shotput, and Ronald Salling and Carl Rihn in the high jump. The Cardinal relay team looked like a tough outfit to beat at the present time. It included LaMoine Kurth, Phil Pitsch, Bob Meslow, and a ninth grader, Bob Roberts.

There were many other boys competing in other events but these just named looked like sure bets to bring home some "firsts" to Chippewa High School.

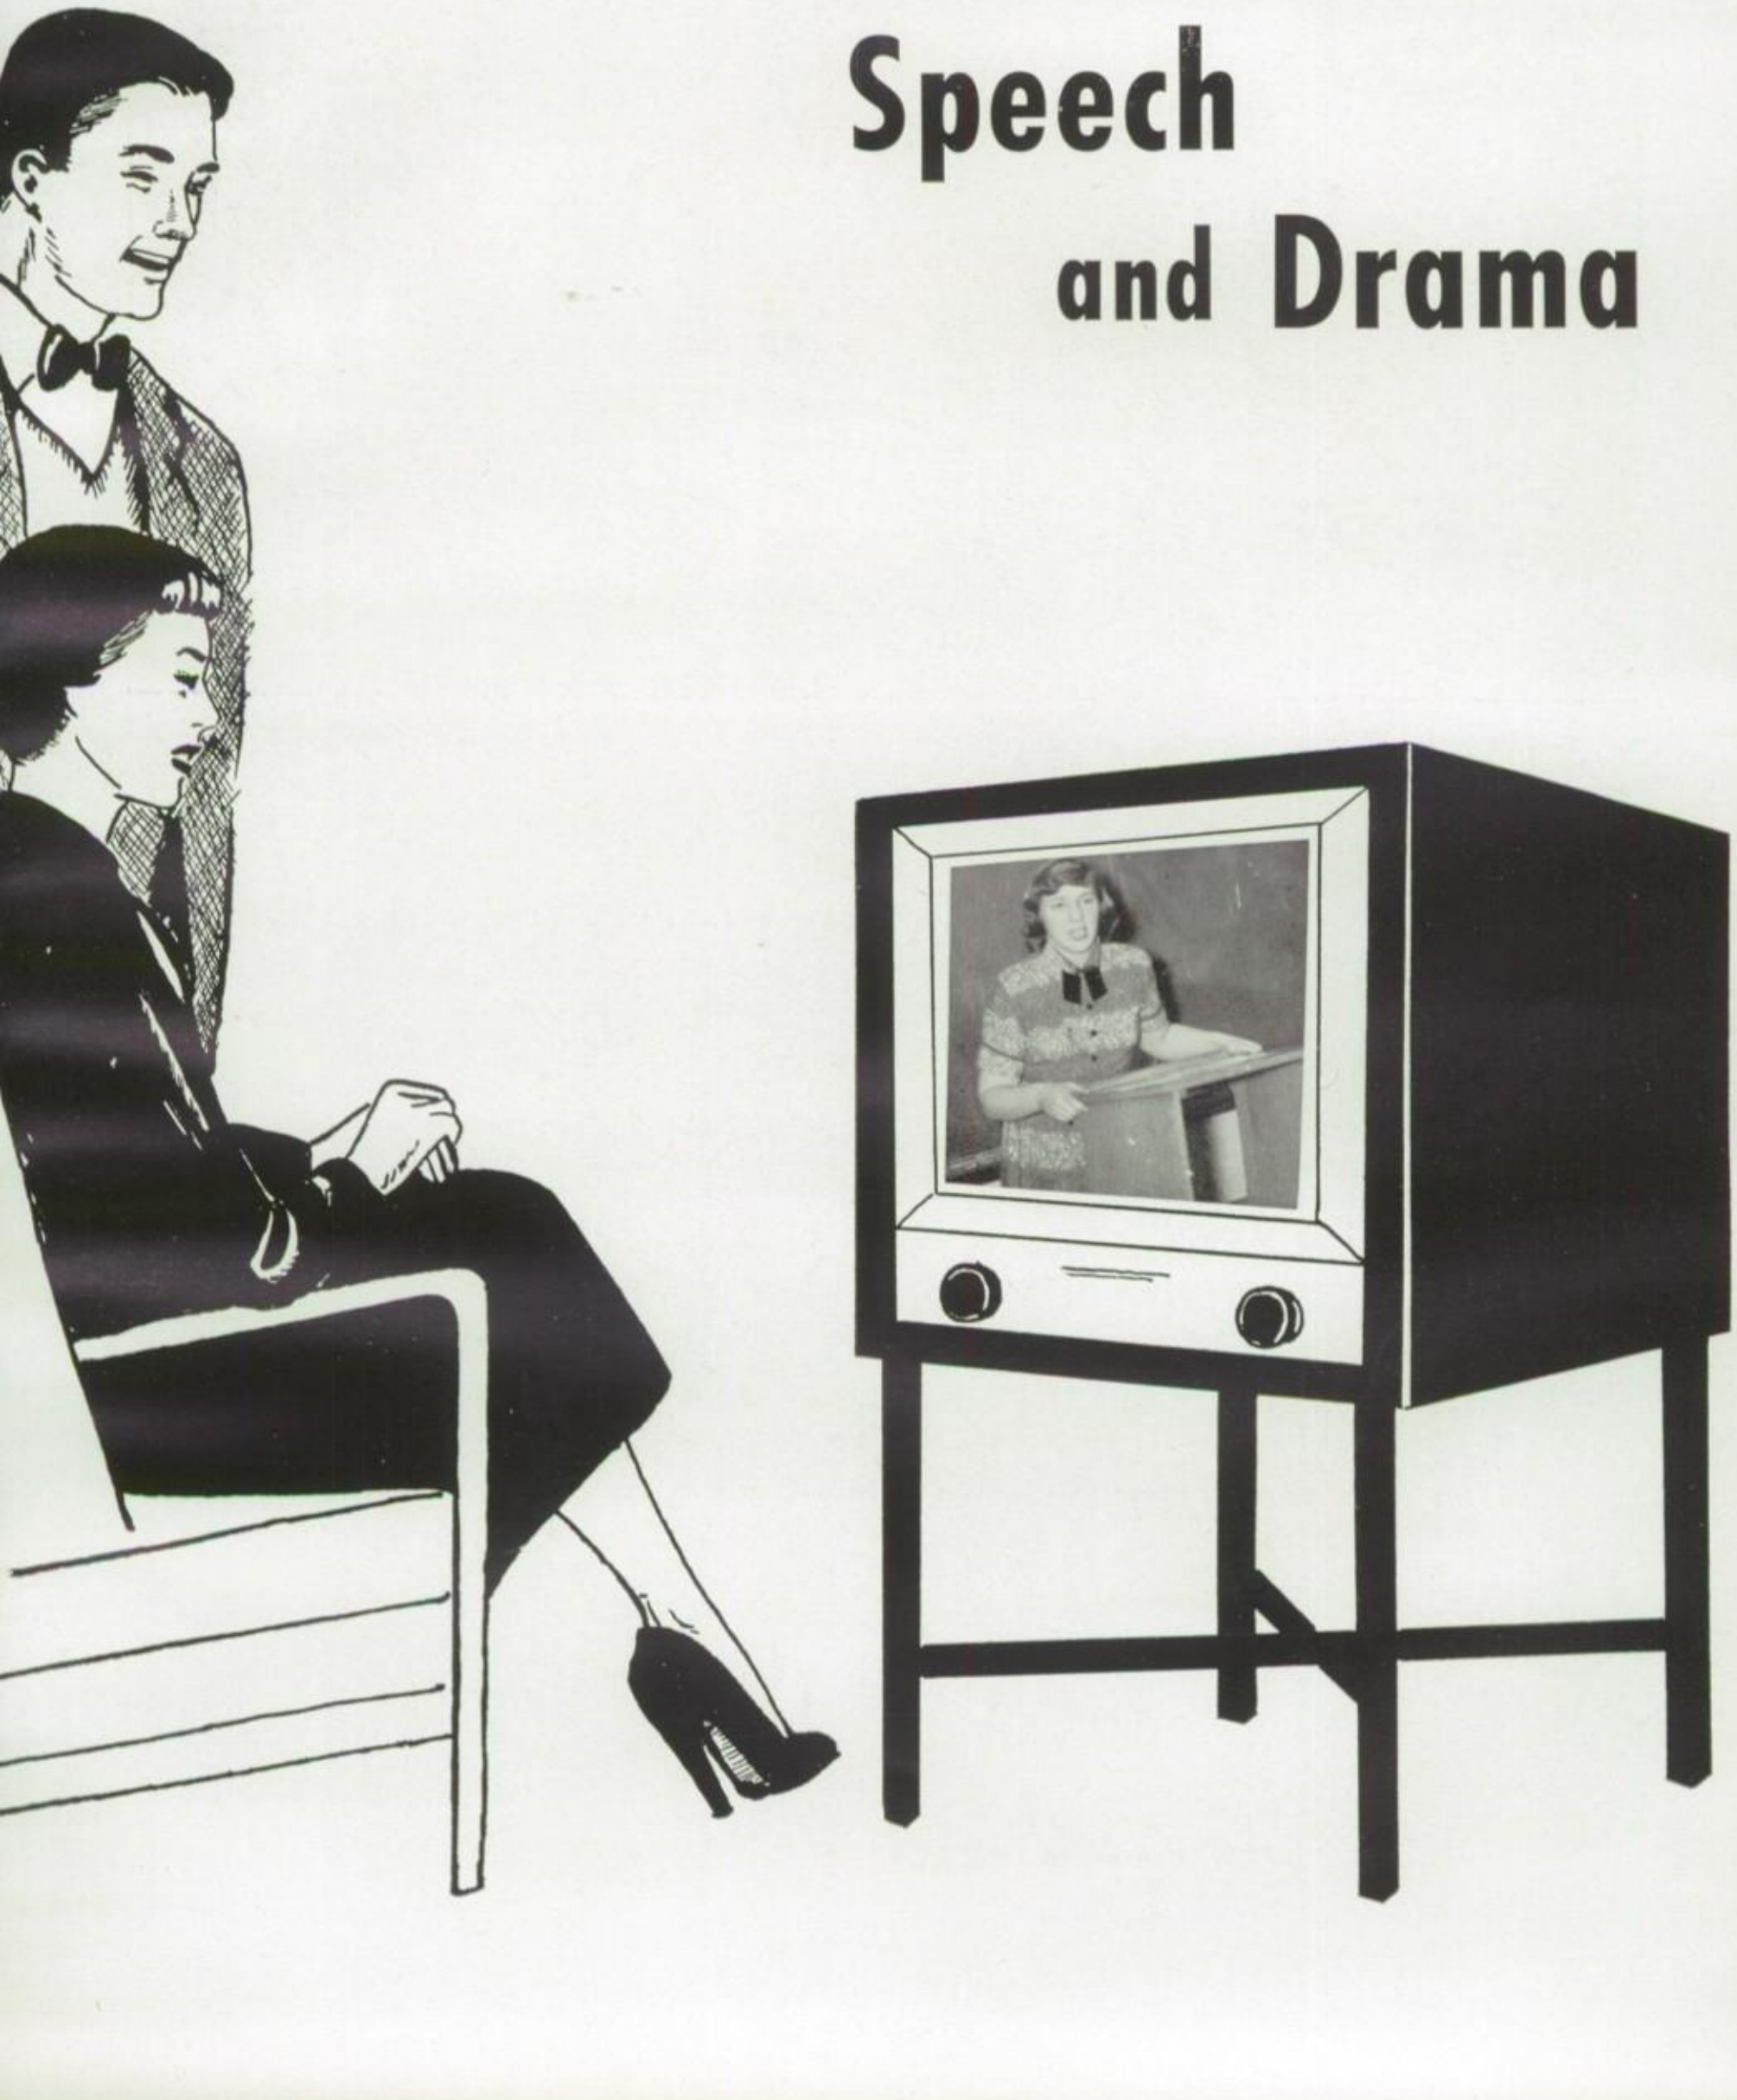
Speech and Drama



Senior Class Play

"Mother Is A Freshman" was this year's senior class play. The three act comedy was based on the story about a thirty-eight year old mother, Abigail Fortitude Abbott, played by Sylvia Kalow, returning to college as a freshman on a scholarship. The monthly allotments were large enough to allow Mrs. Abbott to keep her daughter, Susan, in college as a sophomore. Barbara Brooks was cast as Susan Abbott.

To add to the hilarious scenes John Thune, as Professor Daniel Michaels, finds himself loved by both mother and daughter.

Other members of the cast were LaMoine Kurth, as Dean Gillingham, who tries throughout the play to expel Abby; Dale Walter, Tom Payne, Keith Bartz and Jack Whereatt, as typical college boys; Suzanne Bigler, Pat Beaudette, Marion Miller, Carol Hoobler, Carole Tilbury and Cleo Kroll, as college coeds; and Joan Phillips, as the housemother.

The play was under the direction of Miss Genevieve Johnson, who deserves much credit for its success.

Thespians

Thespians has produced many fine plays in the past, and this year has been no exception. With most of the members belonging to the National Thespian Dramatic Honor Society, how can it be helped!

A highlight of the school year was the Midwinter Formal Prom, sponsored by the Thespians. On December 15, many couples were dancing among the decorations made by some of the hard working members. The theme this year was "Frosty the Snowman."

The third annual play was put on for the grade school children this year, the fable "Many Moons." On February 13 many youngsters (and adults too) were amazed by the good acting done by the cast.

On March 26, the new members were initiated into the local Troup Number 144. They delighted the old members with a play, "Elmer," which was acted out very well.

This spring, as every spring, the whole senior class was on pins and needles wondering who would be chosen for the class play. "Mother is a Freshman" was the play which was very capably directed by the Thespian adviser, Genevieve Johnson.

All year long the Thespians were busy with their plays, and on April 19, they took their hard-earned money to charter a bus to the cities for the "Ice Follies." This trip was enjoyed by all as the climax of a wonderful year.

The officers for this year were:

Judy Nicholson	- - -	President
Barbara Harck	- - -	Secretary

Debate Takes On New Life At Chi Hi

The 1951-52 season has brought new laurels to a traditionally outstanding debate program at Chippewa High.

Our squad established an excellent record, winning a total of forty-six debates while losing only seventeen in A-division competition. Top honors were claimed by the team at Gustavus Adolphus College in the annual mid-west tourney. They were one of three schools in a 60-school, 5-state tourney to win all of their debates in eight rounds of competition. Chippewa debaters won District honors in the Wisconsin High School Forensic Association and placed fourth in the state contest at Madison. Second-place honors were won in the Northern Wisconsin National Forensic League tournament.

In addition to an outstanding win-loss record, a real effort was made to expand debate activity in our school, as was evidenced by the increased participation. The old Northwestern Wisconsin debate tournament held in past years at Chippewa was revived and enthusiastically received by 42 teams that competed from schools in Minnesota and Wisconsin.

The first squad included: Patricia Elliott, Claudette Miller, Pat Preston, and Carole Tilbury; alternates were Althea Christoffersen and Carol Dinkel. Other members of the debate group included Ed Bathke, Judy Froberg, Judy Grimm, Katherine Hawkins, Joyce Kaphingst, Jim Larson, Jonathan Misfeldt, Pat Schmidt, Jane Sielaff, Roy Springer, Sandra Thomas, and Joan Vogler.

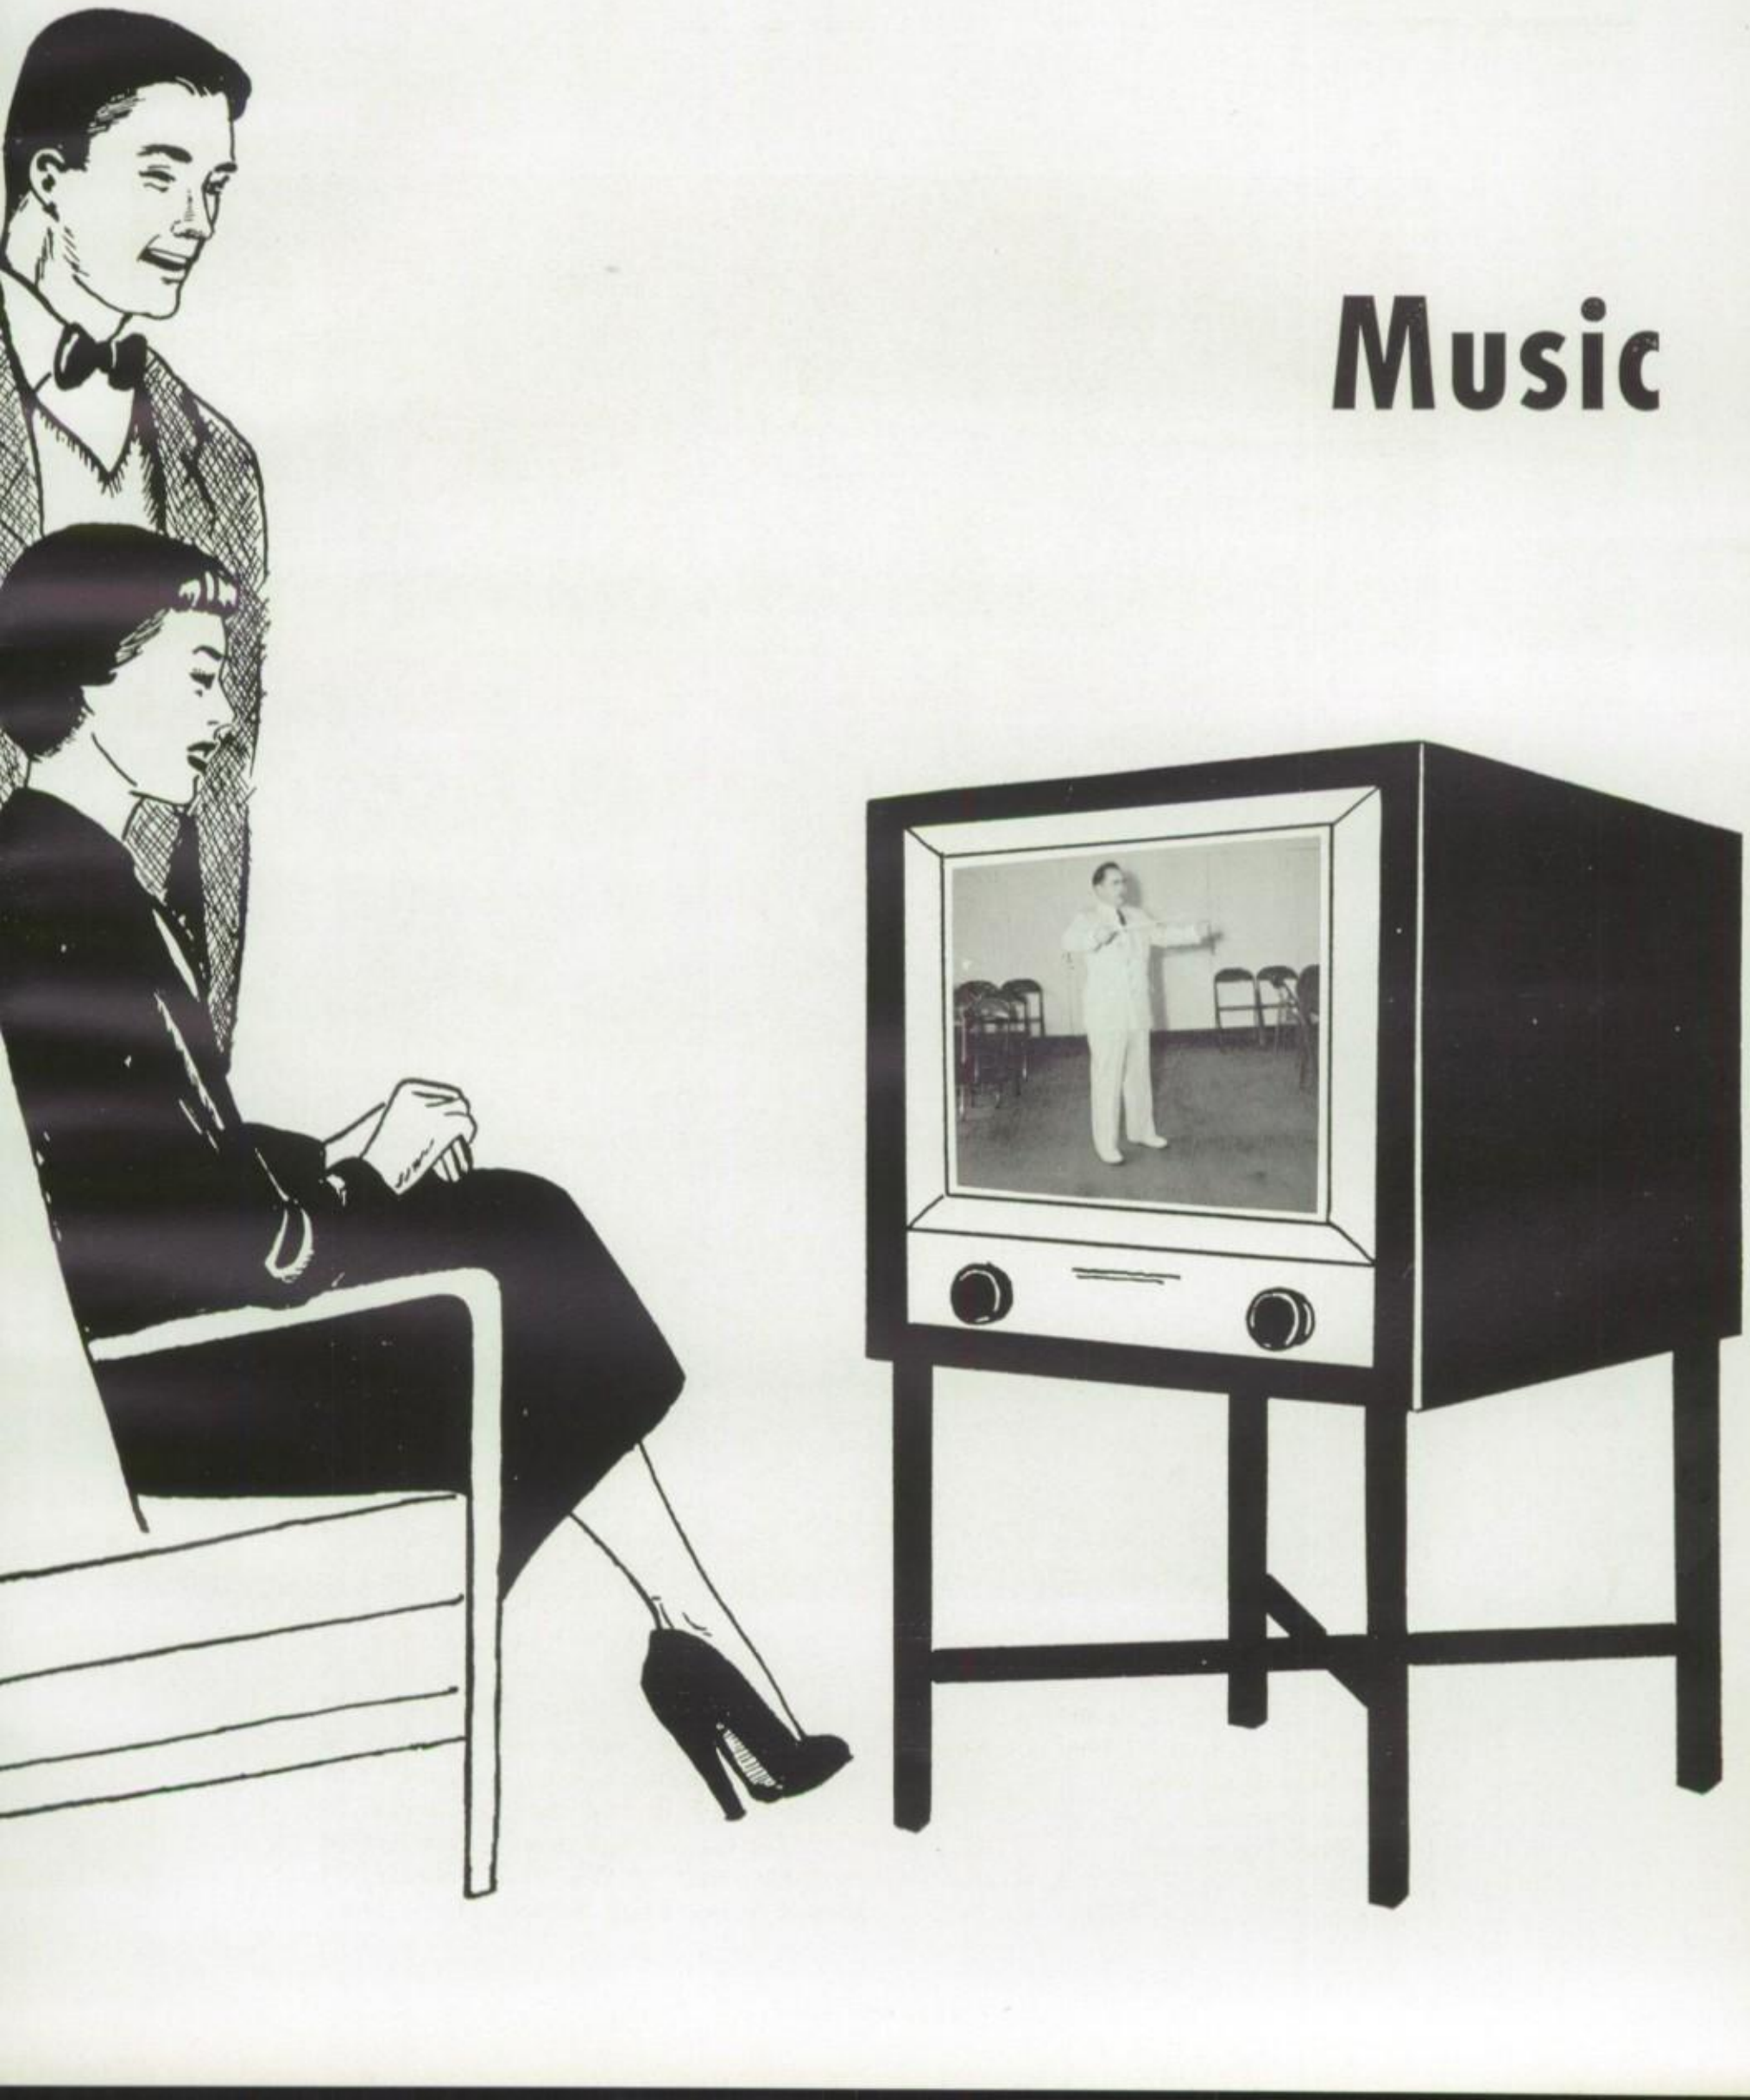
Music



Pep Band

This year about fifteen members of the Cardinal Band belonged to the Pep Band. It was an outside activity and the band played at pep assemblies and games. All members agreed it was fun playing in the Pep Band and more fun yet being able to go to all the games free and be assured of a seat.

The 1951-52 Band under the direction of Mr. Elliott has just finished another successful year. They turned out in full color at all of our home football and basketball games to put us in a gay spirit. They have also played at many of our assembly programs. The Band played an important part in the Christmas Concert and also showed their glory at the annual Spring Concert. The annual Music Banquet climaxed the affairs of the band for the year. The Carolers

The Carolers are a group of girls chosen from the Chorus by Miss Averill because of their musical ability. As soon as the Christmas season rolls around the girls may be found practicing in the music room at the early hour of 7:30 A. M. Many hard weeks of practice preceed the singing programs presented by the girls. Old and new Christmas songs are mastered in three part harmony. The colorful red caps and capes add much to the old and charming tradition of caroling. Many of Chippewa's organizations and clubs enjoy the singing of the Caroler's during the Christmas season. The Waterman Company, the Kiwanis Club and the Rutledge Home are old listeners of the group. Programs are also presented at various P. T. A. meetings and at the Masonic Temple. The Carolers songs were enjoyed thoroughly by all who heard them.

The membership is based on high standings in the subjects taken. A girl must maintain a "B" average to qualify for membership.

The main purpose of the Athena is to promote better social and educational advantages for its members. A scholarship is given to one deserving senior girl at the annual Swing-Out. This money is made by the sale of baked goods in the halls each Thursday.

Some of the activities of the Athena this year were the Mother's Tea and the Swing-Out.

This year's officers were: Presidents, Nancy Agnew and Althea Christoffersen; Vice Presidents, Beverly Lower and Karen DeLonge; Secretary-Treasurers, Jean Selden; Secretary, Margery Gardiner, and Treasurer, Barbara Parr.

The Commercial Club of Chippewa Falls Senior High School has finished another progressive year.

The club consists of Junior and Senior students who took part in the Commercial courses offered in the school. The purpose of the club is to learn more about the business world.

At every monthly meeting, the Commercial Club usually had a very interesting speaker. Often the Alumni of the school returned and told of their jobs in the field of business.

Among its activities, skits were presented and a very attractive float was displayed in the Homecoming Parade. One of the main things that the Commercial Club is trying to bring about is to offer a scholarship to an outstanding business student.

The Commercial Club has a membership of around forty members. The following people act as officers: Jean Selden, President; Margie Gardiner, Secretary-Treasurer; Carol Otto, Vice President. Miss Laura Ostrem is the club adviser.

Future Homemakers of America

The F. H. A. Club is a state organization open to any girl who has taken a home economics course sometime during her high school career. The advisers for the club are Mrs. Dorothy Johnston and Mrs. Dewey Huber. The officers chosen were as follows: Esther Mathews, President; Marion Aude, Vice President; Francis Goltz, Secretary; Kathryn McIlquham.

The F. H. A. operates on a planned program for the whole year. This organization is very helpful in giving the girls new ideas for party foods, decorations and games.

One of the projects the club took over was the sending of small gifts at Christmas to the Northern Colony. They also had candy and barbecue sales to meet their financial needs.

The Future Homemakers are as valuable to Senior High as they will be in their future homes.

This year's Monocle put on a dance, a magazine sales drive and a Monocle ad drive to help finance the publication.

The work was carried out under the supervision of the editor, Bev Holter, who was assisted by Bob Langill, and the guidance of the advisor, Mr. O'Brien. The art work was done by Elma Peterson.

Credit for the photography goes to Jan Hein, Miss Murray, Mr. Ernest Nelson, and Art Leuthe.

The staff can relax now that everything has been turned in and they appreciate the help of the faculty and the student body.

Office Girls

An interesting task performed by the girls who are members of the Secretarial Training class is working in the school office. They volunteer to work during one nine-weeks period, under the guidance of Colleen Sweitzer and Miss Ostrem so that they may learn and actually practice office procedure.

The work varies each period as would any routine work in a business office. Sorting mail, listing the attendance for records, answering the telephone and operating the ditto machine, are some of their duties. These girls help to keep school life running smoothly and the experience will be valuable to them in their future jobs.

Student Council

The Student Council officers for this year were President, Keith Bartz; Vice President, Dick Larsen; and Secretary, Pat Elliott. The class chairmen were Jan Hein for the Senior Class, Carol Warner for the Junior Class, and Chuck Mehls for the Sophomore Class.

According to the Constitution the purpose of the Student Council is "to promote among students of Chippewa Falls Senior High School a knowledge and interest in good government; to encourage students to accept and discharge their responsibilities to themselves and their school; to stimulate a spirit of cooperation among the students and faculty; and to aid in the development of loyal constructive school spirit."

The Student Council engaged in various activities throughout the school year in carrying out their purpose. The first dance of the school year was sponsored by the Council on September 21. Barbara Harck, Pat Preston, Marion Mueller and Keith Bartz were sent as representatives to a Student Council Conference at New Richmond High School. The Council prepared a list of school activities which students may check upon registering for school next year. The Council chose assembly programs for next year. Chippewa High School was represented on the Chippewa Youth Council by two Student Council members, Bill Kroll and Dorothy Ocasek.

Activities

The Junior Prom

This year's prom again proved to be one of the outstanding events of the year. The juniors volunteered to work on various committees and all the jobs were carried out in an efficient manner.

Jack Pingle's orchestra provided the enchanting music to bring out the original theme, "South Pacific." The gym was gayly decorated with palm trees and flowers surrounded by a bamboo fence. In the center of the gym was an island. Bill Kroll reigned as King and led the Grand March with his Queen, Carol Otto.

Bob Meslow acted as Master of Ceremonies. One of the main features of the floor show was the singing of the theme song, "Bali Hai" by Barbara Harck.

After the dancing ended, the dancers all agreed that it was a most enjoyable evening, and it will be a fond memory in years to come.

Midwinter Formal

If you had walked through the door leading into the senior high gym on the night of December 15, as many couples did, you would have felt as though you were walking into a charming, unbelievable winter fairyland. Around the balcony were gleaming, sparkling icicles, with the colored lights playing on them. Along the bottom of the wall were snowbanks piled high, with little snow children playing on them; and above the orchestra were a large snowman, and snowwoman.

All these decorations successfully carried out the theme which the Thespians chose for the 1951 Mid-Winter, "Frosty the Snowman." Jean Selden reigned as queen of the annual affair.

The floor show for the night was conducted by Bob Montgomery, of radio station WEAU. Dorothy Ocasek sang the theme, and everyone enjoyed the program and the whole dance very much.

School Calendar

SEPTEMBER

7. Out opening football game (even before school starts) with Stevens Point. Played here. They won 32-0.
10. School starts.
14. We played Marinette here tonight. They won 27-0.
21. The first school dance, the Student Council Dance was held.
28. The Francis Willard Day program.
28. The first football game away from home, with Sparta. Two busloads of kids went down to cheer the boys on. It helped. We won 25-19.

OCTOBER

1. Mr. Earl Lockman, an escapee artist, came to Chi Hi to show us a few of his tricks. How does he do it? Wish he would tell us, might come in handy sometime.
5. Rice Lake Game: Two busloads of kids went and they were all glad they did. We won, 38-12, the second game we've won in a row.
9. G.A.A. Initiation: Was it ever awful. We (the Sophs) really were initiated by everything from eating raw eggs and garlic to doing fifty push-ups. The next day was even worse. We had to carry our's and the Junior's books around school in a pail.

11-12. Teachers Convention: School is out for two whole days!

12. Tomah Game: We lost to Tomah just when we were doing so well. The score ended at 32-25. The first half ended with a score of 25-0, Tomah's favor. In the second half we really perked up, and if the game lasted just five minutes longer, I bet we would have won.
19. Homecoming: The biggest game of the season, our homecoming, and it didn't rain for the first time in four years. The whole day was lots of fun beginning with a pep assembly in the decorated auditorium. Almost every club put on a skit. That night a big parade was held with many floats. At the fairgrounds our queen, Kay Larson, was crowned. The only thing to spoil the day is that we lost our game with La Crosse Logan, 19-0. The final event of the day was the big dance in the Junior High Gym after the game.
26. Eau Claire Game: Here was our big thriller. The bus took kids down and many came in cars. The score was 0-0 all the way to the last minute (55 seconds to be exact). Then Eau Claire made a touchdown on a pass. The game ended 7-0, but we outplayed them all the way.

NOVEMBER

2. Our last football game of the year! We beat Bloomer 12-0.
5. Mr. Brown gave an interesting assembly program on how to retain facts and figures in the mind.

7. While our boys stacked up a victory at Spooner tonight, 56-45, the students of Chi Hi danced away at the big Monocle Dance.
8. Saturday and no school — but not for the Debators. A tournament was held here today in which twenty-two schools took part. Carole Tilbury was again awarded top honors for her outstanding debating.
11. Blue uniforms and maroon robes can be seen all over the halls of Jr. High this evening. Who and why? The Chippewa Falls High School Band and Chorus, of course. Why? The Christmas Concert, what else? Splendid music was enjoyed by all.
15. The first four Debate squads hit the road for Merrill today. In the evening the annual Midwinter Formal was in full swing. The Jr. High gym was cleverly decorated with little snowmen everywhere, a Christmas tree in one corner, dim lights and pretty formals and girls whirling around the floor. The music was furnished by Jimmie Knight's Orchestra.
